Dedicated young professional currently studying towards graphics design and music. I am an enthusiastic and motivated individual with exemplary verbal skills that enable me to work well with both colleagues and customers. I am eager and seeking opportunities to apply my strong work ethic and communication skills. I have a solid foundation on computer based skills and packages. I actively participated in high school basketball.

## PROFESSIONAL EXPERIENCE

### Junior Graphic Designer

Tenacity Brand Studio

Jan 2023 - May 2023

I worked closely with the head graphics designer to create innovative designs for a range of clients and picked up a few learning experiences in the process. I also gained hands-on experience in utilizing standard design software therefore honing my skills in image editing and typography to produce high quality graphics
